CWSS Student Paper and Poster Contest - Rob Wilson

Graduate/undergraduate students are encouraged to enter one paper and/or one poster in the student contests at the CWSS Conference in Monterey. Papers or posters should consist of information gathered from research projects related to weed science. Students do not have to present results of their own research, but they must be familiar with all aspects of the research. All students entered in the contest are eligible to apply for a student fee waiver, and attend the CWSS annual conference for free (see the enclosed Registration Form). Papers and posters are judged separately. Prizes for the best student papers and posters are awarded as follows: 1st place: \$500, 2nd place: \$300, 3rd place: \$200. Abstracts will be published in the proceedings. **Contact Rob Wilson ASAP at (530) 667-5117 or rgwilson@ucdavis.edu.**
