Dear Sponsors:

The California Weed Science Society would like to thank you for your interest in our 69th Annual Conference scheduled for January 18-20 (Wed-Fri), 2017 at The Portola Hotel and Spa in Monterey, CA. As this conference has become a key California event for industry, public agencies and academia focused on the science of weed control, we are asking for your support by sponsoring or cosponsoring an event at this Conference.

Once again, we have the opportunity to continue to increase our support for students! We are now hosting our fifth annual Student Luncheon, to help support their growth and development of their careers. With each \$500 pledge towards Student Support, we will provide special recognition for your contribution during the luncheon and one representative from your organization is invited to attend (attendance is optional) and meet the next generation of weed science professionals.

Please join us as a part of the experience. Refer to the next page for sponsorship options and details and a form for making your commitment. At the 2017 Annual Conference, benefits range from recognition in the conference program to special sponsorship recognition at the business luncheon. If you decide to sponsor with us, please fill out the attached form and FAX, mail it in, or pledge your support online. Should you have any further questions regarding sponsorship opportunities, please contact me at (916) 216-8744 or [jhugie@wilburellis.com](mailto:jhugie@wilburellis.com).

Additional forms and more detailed information about our Conference are available on our website at <http://CWSS.org>

Sincerely,
