

2019 CWSS Conference Student Paper and Poster Contest

All graduate & undergraduate students presently enrolled in college who have an interest in weed science are encouraged to enter the paper and/or poster contest at the

71st Annual Conference of the California Weed Science Society

January 23-25, 2019 in Sacramento, CA

BE Professional! This is an excellent opportunity for students to present research, improve their presentation skills, and network with professionals working in weed science. Papers or posters should consist of information gathered from research projects related to weed science and vegetation management. Students do not have to present results of their own research, but they must be familiar with all aspects of the research. Student papers and posters should be scientific in nature and should not be sales or marketing tools.

FREE Conference Registration! All students entered in the contest are eligible to attend the CWSS Annual Conference for free! Students can register for the conference online at <http://www.cwss.org/events/registration/>

Student LUNCH! Students attending the conference are invited to meet weed science professionals and board members at the student luncheon. More information will be sent to all students registered for the conference.

TRAVEL Assistance! Students competing in the paper and poster contest will be eligible for up to **\$500 travel assistance** per student. **Eligible students must present a paper or poster.**

Funding support can be used to pay for hotel, food, airfare, and/or mileage.

(Contact Mariano Galla mfgalla@ucanr.edu (530) 517-8187 for more information and reimbursement forms.)

PRIZES! Papers and posters will be judged separately and the three best students in each category will be awarded as follows: **1st place: \$500, 2nd place: \$300, 3rd place: \$200**

GET Published! Paper and poster participants must submit an abstract for the proceedings.

(All student abstracts will be published by CWSS. Additionally you can submit for Proceedings, following the editorial guidelines available on the CWSS website.)

Abstracts are due December 2, 2018

Participants in the paper contest will present on Wednesday, January 23rd. Students will be notified about the presentation time in late December. Posters should be 4 ft by 3 ft, and boards will be provided. Students must be present at their posters during the student poster session (Wednesday, January 23rd) to answer questions from judges and conference attendees.
